

Staunton & Corse Surgery

Flu Clinic

Saturday 18th October 2025

Car parking for the flu clinic is available to the front and rear of the practice.

We have also arranged with Staunton and Corse C of E Academy to use their car park up until 2pm, should our car parks become full.

Please only attend the practice at the time of your appointment.

This clinic is fully booked, and we kindly ask that you attend your appointment suitably dressed with arms ready to aid smooth running of the clinic.

Please Note: COVID vaccines are subject to availability on the day.

If you are eligible for a COVID vaccine this will be offered to you at the same time as the flu vaccination, depending on stock. We are not running separate clinics for COVID, so if you only required a COVID vaccination please visit the website below for more details: <https://www.nhs.uk/nhs-services/covid-19-services/covid-19-vaccination-services>
